

TAUFIQA

INTERIOR DESIGNER

WORK EXPERIENCE

INTERIOR DESIGNER

LIVSPACE INTERIOR DESIGN STUDIO 2024-2025

- Created detailed design concepts, including floor plans, mood boards, and 3D renderings, using AutoCAD, SketchUp and Enscape.
- Produced presentations and design boards, helping clients visualize design concepts, leading to higher client satisfaction and project approval rates.
- Successfully handled residential projects including apartments, villas, and duplex homes — delivering personalized interiors that balance aesthetics and functionality.
- Worked on commercial spaces such as offices, retail outlets, and small cafes, focusing on brand identity, space optimization, and customer experience.
- Managed material selection, color schemes, and furniture layouts according to project requirements and budget constraints.

COOKSCAPE INTERIORS AND BEYOND - 2025

-ARCHITECT

- Lead the design and development of architectural projects from concept to completion, ensuring functionality, sustainability, and aesthetic excellence.
- Collaborate with clients, engineers, contractors, and consultants to align project objectives with client vision and regulatory requirements.
- Prepare and review architectural drawings, specifications, and 3D models using tools such as AutoCAD, Revit, or SketchUp.
- Oversee project timelines, budgets, and site coordination to ensure quality control and compliance with building codes and safety standards.
