Career Objective

Pursuing full-time role that presents professional challenges and leverages interpersonal skills, effective time management, and problem-solving expertise.

Education

Bachelor of Engineering (Electrical Engineering)	Prof Ram Meghe College of engineering and Management college of badnera Amravati 2021-2025 7.1-CGPA
12th (HSC)	Dharampeth M.P. Deo Memorial Science College 2019-2021 87%
10th (SSC)	Yashoda Public School 2018-2019 75%

Technical Skills

- [PLC Hardware Selection]
- [Ladder Logic Development]
- [Electrical Schematics]
- [HMI-Design]
- [SCADA]

Work Experience

Electrical Design Engineer – Triumphant Bharat Cosmic Engineering PVT Ltd (July-2025 to October-2025)

- [Continuously Update the technical knowledge through relevant professional development course]
- Staying current with industry trends and best practice in PLC programming.
- Panel Wiring.

Production Operator – Dana India, MNC (June-2025 to July-2025)

Internships / Projects

Internship – Ajni Loco-Shed, Indian Railway Nagpur

- [Intern]
- 22 June to 29 June
- Gained hands on to exposure to maintenance, inspection and servicing of Electric loco-motive.

Project Title

Multipurpose Tiller Machine (2025)

- Designed and developed a tiller machine integrated with solar energy and mechanical attachments for ploughing, weeding and soil preparation.
- Focus on Improving energy efficiency, cost deficientness and ease of operation of small farmer.
- Worked on design calculation, fabrication and testing of machine.

Automatic Street Light Using Arduino (2024)

- Build an Arduino based street lighting system that automatically switches light on/off base on ambient light level.
- Reduce the unnecessary power consumption by integrating LDR sensor and Microcontroller based control
- Design the circuit, Program the microcontroller and tested, the prototype successfully.

Achievements

- [Employee Ability Skilled Training Program] 02/2024
- [Street Play Winner] 07/2024
- [Poster making competition] 24/2023

Strengths

- [Public Speaking]
- [Communication Skills]
- [Mimicry]

ADD-ON COURSE & WORKSHOPS

- Electrical Technology PRMCHAM. [One Week]
- Electronics Technology PRMCEAM. [One Week]
- MATLAB Onramp MathWorks, [One Day]

Personal Details

- Date of Birth: 07/02/2004
- Languages: [English, Marathi, Hindi]
- Nationality: Indian
