

# Ar. VAIDEHI SIRASKAR

## ARCHITECT

### Professional Profile

Creative and driven architect with 6 years of experience in designing innovative and sustainable structures. Proficient in various architectural software and dedicated to delivering projects that exceed client expectations while adhering to budgetary constraints and deadlines.

### Work Experience

**JULY 2024 – SEPTEMBER 2025**

**HOMELANE | NAGPUR**

**ASSOCIATE DESIGN RELATIONSHIP MANAGER (ARCHITECT & INTERIOR DESIGNER)**

- Lead client consultations to understand spatial needs and functional requirements, translating them into creative and feasible design solutions.
- Collaborate with internal design teams and external vendors to manage project timelines and ensure high-quality execution.
- Provide expert advice on materials, design aesthetics, and space planning aligned with client expectations.
- Oversee site progress and conduct quality checks to ensure compliance with design intent and client satisfaction.
- Maintain strong client relationships throughout the design lifecycle, from initial consultation to project completion.

**NOV 2023 – MAY 2024**

**NITIN BAGANI ARCHITECT | NAGPUR**

**ARCHITECT / INTERIOR DESIGNER**

- Participated in client meetings, presentations, and design charrettes to gather feedback and refine design concepts.
- Coordinated with consultants, contractors, and vendors to ensure seamless project delivery.
- Contributed to the design and development of commercial and residential buildings, focusing on sustainability and energy efficiency.
- Produced detailed architectural drawings, specifications, and documentation for permit approval and construction.
- Conducted research on materials, construction techniques, and building systems to integrate innovative solutions into projects.

**JUNE 2020–OCT 2023**

**HABITAT DESIGN GROUP | CHANDRAPUR**

**INTERN / JUNIOR ARCHITECT**

- Developed architectural drawings, renderings, and presentations using software such as AutoCAD, Revit, and SketchUp.
- Collaborated with engineers, contractors, and clients to ensure project specifications were met and implemented design revisions as necessary.
- Managed project budgets, schedules, and resources to optimize efficiency and maintain profitability.
- Conducted site visits and inspections to ensure compliance with building codes and regulations.

### Professional Skills

- Proficient in 3D modeling and rendering software
- Expertise in interior design principles and space planning
- Strong visualization and conceptualization abilities
- Attention to detail and ability to meet project deadlines
- Excellent communication and collaboration skills
- Knowledge of architectural drafting and construction documentation
