

Akshata Ganmukkulwar

Civil Engineer

Hyderabad | 9766895332 | ganmukkulwaraksh234@gmail.com |

Highly motivated and results-oriented Civil Engineer with over 4 years of experience in Design and Drafting, seeking a full-time position that offers professional challenges. Utilizing technical, interpersonal, excellent time management, and problem-solving skills for the benefit of the organization and personal growth.

Experience

DESIGN ENGINEER | ISORROPIA STRUCTURES PVT LTD, NAGPUR | MAY 2023 – APRIL 2025

- Expertise in RCC Structural design, including analysis and detailing for residential, commercial, and industrial buildings using ETABS and RCDC.
- Prepared 2D structural detailing (Footing, columns, beams, slabs, staircase, etc.) using AutoCAD, ensuring compliance with industry standards.
- Ensured all drawings adhered to project specifications, IS codes, standard drafting practices and client requirements.
- Skilled in steel structural drafting, including trusses, frames, connections and road pavement layouts.
- Hands-on experience in preparing Bar Bending Schedules (BBS) and Estimation for RCC works (Footing, columns, beams, slabs, staircase, etc.)
- Successfully worked as a Team Lead, guiding and coordinating the project team to deliver structural design solutions on time.

DRAFTING ENGINEER | WADKE CONSTURCTIONS | SEPT 2020 – DEC 2022

- Expertise in AutoCAD drafting for civil, structural and architectural projects
- Developed 2D and 3D drawings for residential building (Plans, elevation, sections, and layouts) using AutoCAD Software.
- Converted survey data and field measurements into precise AutoCAD layouts for construction use.
- Collaborated with the engineers and architects to revise design drawings, improving accuracy and reducing rework.
- 3D modelling on SketchUp software for residential buildings.
