Objective

Graduate with Bachelor of Electrical Engineering and Polytechnic in Electrical Engineering from RTMNU University Having a Good Hands on Auto CAD, Electrical CAD, and Revit MEP, Neviswork & BIM 360 Modeling I utilised my knowledge & skills and contribute to the growth of an organisation along with my own career. "

Skills

Auto Cad Revit MEP Neviswork Scan to BIM

Education

- RTMNU UNIVERSITY** 2024
Bachelor of Electrical Engineering. MPCE college of Bhandara
A - 6.93
- MPCE college of Bhandara** 2020
Polytechnic of Electrical Engineering
A - 73.15
- Zp High School Warthi Bhandara** 2016
HSC Board
12th Paas out
- Astral informatics Pvt Ltd nagpur** Feb 2024 To July 2024
Auto cad and Revit MEP and Neviswork
Arctecture and structure Modeling

Experience

- Astral informatics Pvt Ltd nagpur** August 2024 - September 2024
Internship
Auto CAD Electrical CAD Revit /MEP and architecture and structure Modeling
- Astral informatics Pvt Ltd nagpur** October 2024 - October 2025
Junior Engineer
Jr Engineer in 20/10/2024 To 17/10/2025 BIM Engineer
Auto CAD Electrical CAD Revit /MEP and architecture and structure Modeling /
BIM 360 in Delhi metro live project lift and Escalator modeling and sheet creation Rocks and Cantilever
Placements and condute fitting working
- One click BIM** November 2025 - January 2026
Junior Engineer
Scan to BIM
1)The Old vicatage RCS 2)The church-kapell kungsbacka 3) 9 Barff lane Brayton
Architecture and Structure Modeling

LANGUAGE

- 1.ENGLISH
- 2.MARATHI
- 3.HINDI

Projects

- **1) Delhi metro project working .**
 1. JOHNSON - LIFT & ESCALATOR Modling and Family creation and SheetCreation.
 2. NCRTC RRTS Metro Projects .
 3. Power Supply & Traction.
 4. AECOM- ROCS Cantilever Placements.
 5. Arctectur and structure Modeling.
 6. Mechanical, Electrical, Plumbing (MEP)Modeling.
- **2) MEP modeling**

Mechanical, Electrical, Plumbing (MEP)Modeling.
- **3) Scan to BIM Structure and architecture project**

Architects and structure Modeling in Scan to BIM Project.

Activities

- Playing cricket, Vedio Games Travelling

SPECIAL ACHIEVEMENT

- Profession Certified.
- Revit MEP Profession Auto CAD Certified.
- International Conference

PROFILE INFORMATION

- Enthusiastic and detail - oriented Electrical and MEP Engineer with a on experience through academic projects and internship.
Proficient in using industries standard software like Revit and Auto Cad modelling electrical and MEP Systems.
Adept at collaborate with multidisciplinary y teams to deliver efficien
Eager to leverage skills and knowledge to contribute effectively to e industry

STRAIGHT

- Passionate Towards Work and Hardworking and Honest.
 - Professional, Quick Learner & Positive attitude.
 - Ability to work in a team as well as individual
 - Exploring Innovations in Designed Technology
